What is the Endowment Fund?

The Our Saviour's Endowment Fund was established on January 26, 1986. Its purpose is to enhance the mission of Our Saviour's Lutheran Church, apart from the general operation of the congregation.

The Endowment Fund can be used for the following four categories:

1. Capital improvements at Our Saviour's Lutheran Church
2. Scholarships or grants for further education
3. Outreach into the community
4. Missions at home and overseas.

With your donation, the Endowment Fund continues to grow, becoming self-perpetuating forever, creating gifts of giving.

Ways to give to the Endowment Fund?

- Gifts of cash are simple, straightforward ways to make a contribution to the Endowment Fund
- Gifts of securities can provide benefits to both you and Our Saviour's
- Gifts of life insurance can be an attractive alternative if the policy has outlived its original purpose
- Gifts of real estate are another option
- Gifts by will or bequests are an important means of giving to the Endowment Fund
- Gifts with retained income allow you to make a gift while retaining income by establishing a charitable remainder trust
- A gift of an engraved paver, purchased to complete the path to the Meditation Garden, is a loving way to memorialize and honor your loved one for all time

Why give to the Endowment Fund?

As we mature in our Christian faith, more and more we experience the joy of giving; of getting beyond ourselves and extending helping hands to others, in gratitude for our own blessings.

It is a universal yearning to be able to reach beyond our life span to leave our stamp upon this world. The Endowment Fund is an opportunity to memorialize one's own affection for Our Saviour's Lutheran Church, or to honor a family member or other individual who has made a significant contribution.
